Job Summary

Ozark Catholic Academy is an independent Classical Catholic co-ed school founded in 2018 serving grades 9-12. With its current enrollment of 109 students, Ozark Catholic serves a diverse set of students coming from a 3-county radius, in beautiful Northwest Arkansas, one of the nation's fastest growing areas. More information about the school can be found at www.ozarkcatholic.org and about Northwest Arkansas www.arkansas.com/regions/northwest.

We are seeking a passionate and dedicated High School Math/Science Teacher to start July 1, 2025. The ideal candidate will have at least a B.A. or B.S. in a related field, a strong background in math and science, an ability to engage and inspire students, and a commitment to a classical Catholic education. As the High School Math/Science teacher, you will be responsible for developing and implementing the curriculum and guiding students through the discovery, understanding, and mastery knowledge of math and science related subjects. Classes may include Geometry, Algebra, Physics, Biology; a plus would be the ability to teach A/P level courses.

Interested candidates should apply, with a resume, directly to Angie Collins, Ozark Catholic Principal, at angie.collins@ozarkcatholic.org.

Ozark Catholic Academy is an equal opportunity employer and complies with all federal, state, and local laws, which prohibit discrimination in employment.
